

Guidance notes for applying for a School Uniform Voucher in 2024

Wallington County Grammar School does not routinely provide school uniform vouchers, but requests from parents/carers will be considered, where the student concerned is registered for Free School Meals.

The uniform voucher when issued must be used as specified at Cladish & Co Ltd in Wallington, the supplier of school uniform to Wallington County Grammar School. The uniform voucher is only applicable to students joining WCGS in 2024.

If you believe you are eligible for a School Uniform Voucher – complete the Uniform Voucher form and submit it to Wallington County Grammar School no later than 2 weeks before the end of the summer term (i.e. no later than before Friday 7th July 2023), so the voucher can be issued to you before the school break up for summer.

The voucher will then need to be taken to Cladish. Please see below for further conditions of use:

A uniform voucher does not cover all items of the school uniform. Refer to the voucher itself for a list of what items are offered free of charge. Please note;

- *The uniform voucher should be presented to Cladish at the same time as the uniform fitting*
- *The uniform voucher is only applicable for the student named on it*
- *The uniform voucher is not redeemable against any other item in Cladish other than what is listed*
- *The uniform voucher is not transferable to any other person*
- *The uniform voucher cannot be exchanged by the bearer for the cash value, or any residual amount or a refund*
